Dear Aggie and Larry;
~~The~~ new second semester schedule
has given ~~me~~^{me} extra hours of leisure
and an opportunity to write a
few letters. I also have Fridays
off — a 3 day stretch away from
the department which allows me
to get a little distance from
our present involvement.

~~Conclusion I've come to:~~

If you were going not to join a
university whatever the apparent
advantages are. The atmosphere
here and probably in most art
depts. is very ~~negat. ve~~. Everyone
is critical of everyone else; and usually
with good justification. There will
always be "dytosaurs". The tenure
system seems to ~~this~~ (in both art
history and studio work). Some
of the more talented artists ~~develop~~
