

+ Italy - we use have to go & money - but that will  
all be future plans - these days there are so many  
things in Paris this summer - both as if everybody  
decided to go to France - might now - month of August -  
the relatives here all come to the beach + I just want  
here the year of the city - so glad you find of and for  
year - He writes really to us all here but that for  
+ the postal card to the other members of the family  
about all he gets written - I will try and get mail to  
you more often - My pencil has stopped functioning  
so will borrow one from the beauty operator - The Bird  
now to continue - with the new around - the Bird  
Roushwell - well Aunt Jane + Harvey are going to  
Ankara - Turkey - they leave Kansas City this  
Sunday + will be in Wash D.C. a few days getting  
briefed on all the protocol in Turkey - then back to Paris  
where we can see them - they will be in Paris a  
week - then on to Turkey - Harvey will be with the  
US on the Washington of Oct - He is going to Turkey to help  
them get their grain into situation in wheat - it  
Turkey is a tremendous amount of wheat - it  
storage of it is a great problem - This also was a hairy  
problem thru the wheat belt in Mo. + Okla. + Harvey  
seems to have been in charge of the program in which  
this grain storage was successful in our country - so  
he has been chosen to lead up this job - They do not  
know how long they will be there - 3-6 months or  
longer - But the U.S. Dept. of Agriculture headquarters is  
in Paris - so he will be in part of Paris - but he is  
to be sent to the capital - although a large  
very good democratic - has always been all his life  
this is not a political job - One of the jobs that  
is able to be regarded as technical aspects - and this  
will be in the Virginia arrangement - while they  
get - looking after the arrangement - while they  
are away - her baby comes in October - before you get  
feeling very good - this summer she looked so beautiful  
felt good - soon will get in degree out end of July  
also a commission in Air Corp - as he was at foot camp  
This summer I will return to KSC - to in last type - is in  
R.O.C. + Colera - then at end of this year they get their commission  
Barbara - George - medium at Hutchings - no supplies in the  
with the Prof. McCann in that area - Barbara is in charge  
of company - in that area - Barbara is up at Manhattan  
helping him - getting ready to leave - Hattie + Harry brought  
a family - apt. building 3 yrs ago - near the college  
+ darling place - they have waiting list for those who want  
to rent more - so no see what a price kind it is - this  
is the place - when Hugh + Tommy will live - Gordon +  
Steel at Jan field - Missouri - will probably be there  
till Sept 10 - I think Paul + Ann will drive

Have a wonderful trip and  
catch lots of fish - I know  
it will be wonderful fun  
& such a treat to all be  
together - My very best wishes  
to Mr. Brody - I think it is  
quite exciting help in helping the  
Stevenson Company - I think Mr.  
S. must be a fine man.

Best luck on your  
fishing trip

With love  
Maeken

Will try to see Paris for  
you & Harry -
