Dear Nancy:

Hope you received ^{my} ~~the~~ Valentine on time. Enclosed is mine. Maybe ^{it will} ~~it will~~ tide you through awhile. How about ticket reservations for Easter vacation? Should we get them now? Send me dates, come and go.

The block business is starting to go now. but not too fast. Enclosed is my card.

Write grandma Hardin often as you can. She likes postcards too.

Hope you are O.K. and doing fine.

Your grades were good. Hope you make the D's list. Maybe the old lady will let you polish up your report on History of Art to raise you yearly grade. Ask her.

Best luck and lots of love to my

Valentine - Your Daddy.
