Dear Nancy

So glad to

hear from you.

And wish to thank

you for your very lovely

a very lovely time also. only there

were no young folks here!

Joe Stetta, George Suter and I

Christmas trees. We did not
have our Turkey until New Year
Aunt Linn had a party for 14
but I. phoned had the Flu they
stayed and see the the "Old Year"
out. And the "New Year" in but no
cocktails here. I went to bed early
had a spell with my eyes.

Glad you lets your work, so fine
to have. Good instructors I hope
your painting will come out
and receive the prize.
We have had a lovely winter
so far not lets know they have
had finer weather. And I guess
Uncle Bob has lost a good many
sheep. Barbara Taylor. Called esp

My dress is full and
pleas to God. With you
a Happy "New Year" and
Success in your work
